Rotary Club of Jasper

The Rotary Club of Jasper is excited to present its 10th Annual ATHENA Leadership Awards Event. We are currently seeking sponsorships for this year's event, and hope your organization will considering partnering with us.

The ATHENA International program was founded in 1982 by Martha Mertz, and is designed to support, develop, and honor women leaders. The program inspires women to reach their full potential and strives to create balance in leadership worldwide. Supporting, honoring, and developing women leaders are the foundations of the ATHENA Leadership Model.

Our community is fortunate to have many women leaders that are deserving of such an honor. Opportunities to support the Rotary Club of Jasper 10th Annual ATHENA Leadership Award is enclosed with this letter.
